LEJWE LE PUTSWA DEVELOPMENT AGENCY (LDA)

This is an invitation to Service Providers in various fields of expertise to apply for registration on the LDA database.

The Lejweleputswa Development Agency is an entity established by the Lejweleputswa District Municipality with the purpose of managing Implementation of the district municipality's economic development initiatives. This is in response to recent large scale job losses in the mining sector, a key driver in the district's economy.

The primary objectives of the LDA are:

- To promote and develop Lejweleputswa's economic potential
- To leverage public and private resource for development opportunities
- To foster innovative thinking and entrepreneurial activity in the district
- To manage the spatial organization of Lejweleputswa district.

Service providers with knowledge in one or more of the following areas of expertise are invited to apply for registration on the LDA database:
